Opposition to Church Plan.
A good deal of opposition is being made by the churches of North Topeka about the forming of a church federation in West Indianola.

A meeting was held Sunday afternoon in the West Indianola school house, and Dr. Roy B. Guild, pastor of the Central Congregational church of Topeka, spoke. Dr. Guild is heartlly in favor of establishing a community church in West Indianola.

The North Topeka churches sent Rev. Garnet Handley to represent their side of the question. It is claimed by the North side churches that should a church be formed in West Indianola it will materially affect their congregations. They claim that there is no need of a community church being formed as close as West Indianola, as the roads are good and persons living in the country can always come into town to attend the services.

It is understood that the residents of the Pleasant Ridge neighborhood are hind the community church plan.
